IT BRINGS ME TO GREAT MISFORTUNE TO INFORM YOU THAT YOUR WORKERS HAVE BEEN TRYING TO KILL ME HERE OVER THE PAST SEVERAL WEEKS. I ARRIVED HERE ON OCTOBER 24, 2018. THEY'VE ~~BEEN ADDING~~ POIS ADDED POISONS TO MY LUNCH AND MEALTIME TRAYS HERE ON A REGULAR BASIS SINCE I ARRIVED. THEY HAVE ILLEGALLY PERSCRIBED ME MEDICATION WITHOUT MEETING WITH ME PRIOR. AND THEY HAVE BEEN MADE AWARE THAT THIS WILL CAUSE A GREAT DEAL OF HARM TO ME IF AND WHEN I WOLD BE TRANSFERRED TO THE LASA LCJ. AND AVOIDING TAKING MEDICATIONS FROM THEM WOULD REQUIRE A NEEDLE POKE TO GET ME TO COMPLY WHICH ALL OF THE JAILERS HAVE SPIN WOULD BE CYANIDE FILLED IF THEY COULD GET THEIR HANDS ON THE PROTOCOL FOR THIS AND IF THIS WAS PERSCRIBED BY THE DOCTOR HERE. I HIRED A FORENSIC PSYCHOLOGIST TO DO ALL THIS STUFF AND HE SAYS THAT I MAY HAVE A BIT OF LEGAL ABUSE ONLY ~~AND NO I~~ AND THAT I AM NOT CRAZY OR IN THE NEED OF MEDICATION FOR ANY MENTAL ILLNESS OR THE LIKE. I AM UNABLE TO PROTECT MYSELF FROM THEM SO CAN YOU PLEASE HELP ME. I AM IN NEED OF SINCERE PROTECTION FROM THEM. I CAN'T STAY ALIVE WITHOUT YOUR HELP. I DON'T DESERVE TO BE HERE IN THE FIRST PLACE. I DON'T DESERVE TO HAVE MY CHILD TAKEN BUT SHE DID GET TAKEN AWAY AND I AM SUFFERING TRAUMA FROM THIS. THE OTHER DAY I HAD AN ENCOUNTER W/ THE PSYCHIATRIST OF THE WEEKEND TO STALK ME IN MIDDLE AFTER I WAS UNCOOPERATIVE WITH A NURSES ~~ORDERS~~ ORDERS SO LET HER JUST HOLD IT ME AFTER I WAS JUST HIT BY A GIRL IN THE LUNCH ROOM. I WAS UNABLE TO STAND UP FOR MYSELF AND THIS BROUGHT ME TO GREAT DOUBT I WAS IN A SAFE PLACE HERE. I WAS ALREADY PUNCHED IN THE FACE BY THE GIRL I DON'T NEED TO BE UNNECESSARILY YELLED AT BY A NURSE RIGHT AFTER. I PREFER TO CALM DOWN AFTER ALTERCATIONS INSTEAD OF BEING YELLED AND AND DEMANDED THAT WAS MY THERAPIST OF THE NURSE TO do that. I need a doctor. ~~psychiatrist~~ He made me listen to her yell at me. I'm tired of her peace or comfort as she should when working in this type of place. I need different treatment all together. I NEED A DIFFERENT PLACE TO STAY ~~ME~~ FOR LAND PROBABLY. I THINK I MAY BE SUFFERING FROM A BRIEF CASE OF PTSD THAT'S COURT RELATED and I need different treatment from a psychiatrist other than one that's going to attack me for having normal reactions to stress. I hate being selfish sometimes and don't like it when people snitch me from a higher level who are supposed to be more experienced. I'm the one appearing to be. I need some heavy legal help not abuse which could impose more legal problems in my life than I am comfortable at having at this point in time.
